

Let us help make your home more comfortable,

so you can focus on the things that really matter.

More efficiency. Less impact. You can rely on natural gas.

LESS WE CANSM

See special offer.

Get more from less.

Your home will use less — and cost less — to run, because natural gas furnaces come with efficiency ratings as high as 98%. Our incentives can save you even more.*

CUSTOMERS IN OREGON,
RECEIVE UP TO

\$750

You may also be eligible for a **\$250 incentive** when installing a new air conditioner.

CUSTOMERS IN WASHINGTON,
RECEIVE UP TO

\$400

Additional incentives may be available for landlords.

FEDERAL TAX CREDITS MAY ALSO BE AVAILABLE.

*Incentives are available when you work with a NW Natural Preferred Contractor to install qualifying equipment from June 1-Aug. 31, 2020. **NW Natural Preferred Contractors have implemented additional safety practices and social-distancing guidelines.** Energy Trust incentives are subject to funding availability and may change. Qualifications apply.

Summer SCHEDULING TIP

Heating and cooling contractors often have more flexible schedules for installing upgrades, so you'll be ready when fall kicks in.
