

NW Natural®

Oregon and Washington customers:

We offer **rebates up to \$1,200**
for upgrades to both heating
and cooling!

Act now to upgrade your home heating and cooling
systems. Savings won't last.

Turn over to learn more and save.

Why upgrade?

Save money while staying comfortable, and even lower your emissions. A high-efficiency natural gas furnace can deliver heat at **up to 98% efficiency**. That means it uses less energy, can cost less, and still provides the heat you want. You can lower cooling costs too by upgrading your AC!
