

RELIABLE COMFORT AND SAVINGS

Enjoy instant warmth and ambiance with the push of a button. Get cash back when you add or replace a qualifying natural gas fireplace from NW Natural and Energy Trust of Oregon.

CLEAN COMFORT YOU CAN COUNT ON

Natural gas fireplaces burn with up to a 90% efficiency rating, and can heat up to 1,000 square feet of living space at low cost. This means that you can turn down your thermostat and lower your heating bills.

With Energy Trust contractors and incentives of **up to \$250**, you can lower the cost of your comfort.

To get started, visit **www.energytrust.org/fireplace**.

**Incentives are subject to funding availability and may change.
Some qualifications apply.*

Take our online home assessment to receive personalized recommendations on how to improve the energy efficiency, comfort or health and safety of your home. Visit **www.energytrust.org/assessment**.
