Notice of Disconnection of Service

Non-payment

The Company will issue no fewer than two notices to Commercial Schedule 3 Customers and Residential Customers before a Disconnection of Service is initiated by the Company for non-payment. The first notice will give the Customer at least twenty (20) calendar days following the day the notice was mailed to make payment or payment arrangements. The second notice will give the Customer at least five (5) Business Days following the date of mailing before service will be disconnected.

If the notice is for non-payment of a deposit, Customer or known Applicant will have no fewer than five (5) Business Days after mailing or delivery of the notice to make payment before service is disconnected.

A Residential Customer with a bona fide medical condition will be given an additional five (5) Business Days to submit an emergency medical certificate before service will be disconnected. The emergency medical certificate must comply with the terms and conditions set forth in Rule 10 of this Tariff.

The Company will attempt to contact the Customer on the day the service is scheduled to be disconnected. If service is disconnected, a notice stating the requirements for service reconnection will be left in a conspicuous place at the residence.

Notice to Commercial Schedule 3 Customers will be provided as described above; service to other Non-Residential Customers may be disconnected for non-payment on not less than five (5) Business Days written notice.

False Identification

When the Company determines that an account was established with false identification within sixty (60) calendar days from the date the false identification was given to the Company, the Company will notify the Customer that valid identification must be submitted within five (5) Business Days from the date the notice was mailed.

When more than sixty (60) calendar days have passed from the date the false identification was given to the Company, the notice will require that valid identification be submitted within fifteen (15) Business Days following the date the notice was mailed.

If the Customer fails to provide valid identification in the form required by Rule 2 within the time indicated on the notice, the Company may disconnect service without further notice.

Other

For any other cause for a Disconnection of Service, the Company will issue one notice to a Customer before service is disconnected. The notice will give the Customer at least five (5) Business Days prior to the date service is scheduled to be disconnected to take appropriate actions to prevent the Disconnection of Service.

Advance notice is not required when the Disconnection of Service is for emergencies where life or property is in danger or for additional reasons as set forth in this Rule.
