ACT NOW or LOSE $1,500

YOUR WINDOW OF OPPORTUNITY IS CLOSING FAST

ACT NOW or LOSE $1,500
THE $1,500 FEDERAL ENERGY TAX CREDIT IS ABOUT TO EXPIRE

ACT NOW to Get Everything That’s Coming to You!

Up to $2,590 Back in Oregon  |  Up to $2,300 Back in Washington

THERE HAS NEVER BEEN MORE URGENCY!
Install a new 95% high-efficiency natural gas furnace with e-rated ECM and tankless water heater with a NW Natural Certified Contractor no later than December 31st and get up to $2,590 back in rebates, tax and gas credits (up to $2,300 in Washington). After December 31st, at least $1,500 of your incentives will fly out the window when the federal tax credit expires.

YOUR NW NATURAL CERTIFIED CONTRACTOR MAKES IT EASY
If you’ve been putting off upgrading to a high-efficiency natural gas furnace and/or tankless water heater because you don’t know where to begin, look to our NW Natural Certified Contractors for help. Our expert certified contractors work closely with us to ensure you’re happy with your installation. They respond quickly, leave your home as clean as they found it, and assure your systems are properly installed with a minimum one-year warranty on all parts and labor. They’ll even help you complete the incentives paperwork. Best of all, we stand behind their work.
